

# Cause I Am

## Cervello

You come here once again to remind me. It's a pleasure isn't so.

Come here wearing the mask of an angel. Hiding the devil I know.

It's really been holding on, the pain and I are one.

Â

You don't have to remind me, it's in the back of my head, eating me up from inside.

You don't have to remind me that to you I am dead, cause I am.

Â

Sold out, beggin' in tears like a loser. Cause the pity was leading me on.

Oooh but that wasn't me, I'm known as a fighter. But now I'm tired, I've buried my guns.

You really think I don't care, that I am not aware.

Â

You don't have to remind me, it's in the back of my head, eating me up from inside.

You don't have to remind me that to you I am dead, cause I am.

Â

(And) so the torture remains, and if I could get me out of your life, than I would.

You don't have to remind me, you don't have to remind me.

I don't know why it's holding on. The pain and I are on our own. Why can't you see. Oooh!!
