Heroes and Friends (Remix)

Randy Travis

I grew up with cowboys I watched on TV
My friends and I, sometimes pretended to be
Years have gone by but now and again
My heart rides the range with my heroes and friendsYour heroes will help you find good in yourself
Your friends won't forsake you for somebody else
They'll both stand beside you through thick and through thin
And that's how it goes with heroes and friends
That's how it goes with heroes and friends
