## Musiq Soulchild

Verse 1: Woke up this morning  
Smelled the breakfast in the air  
Hopped in the shower  
Would've got dressed  
But i undressed my girl instead  
We did some things  
Got some food and now im on my way to work  
Got into my car  
Started it up  
Drove off  
Now Im on the road, thats when  
I pulled up to this gas station  
And got into this conversation  
With this girl  
I could tell  
She wanted meee

But ohh. Chorus If i met you when i was single  
We probably could've been something more

Cause you're beautiful  
But you should know  
That I found my girl  
And I know I love her so  
I gotta go. Verse 2: She cracked a smile

And she said she understood  
I sympathized  
Cause every man she had was never any good  
Its so amazing  
How much you can learn in just a bit of time  
Like how I see me and her  
In my mind is why i need to  
Pull outta this gas station

Cause after this conversation (ahh)

With you girl, I might just do something I don't wanna do cause. Chorus If I met you when I was single

We probably could've been something more

Cause you're beautiful  
But you should know  
That I found my girl  
And I know I love her so

I gotta go. Bridge: Uhhh yeahh, And I know its such a shame

You can't even entertain the things you feel  
Don't feel bad cause I feel the same  
It would just be wasted time  
Tryna' find if lifes greener on the other sideChorus:  
Ohhhh, If i met you when i was single  
We probably couldve been something more  
Cause you're beautiful  
But you should know  
That I found my girl  
And I know I love her so  
So I just gotta go, go  
I said I gotta gooooo  
Its nice to meet you but I  
Ohhh ooooo uhhhhhhh  
I just gotta goChorus:If I met you when I was single  
We probably could've been something more  
Cause you're beautiful  
But you should know that I found my girl  
And I know I love her so  
I gotta go.
