Certified

Hotwired

You been staring thru the mirror eyes all nite jus because there young dnt mean that we can change the sides see all the chicks will never sense to catch your eyes body language sing that song dont get caught lyin
im certified certified certified im certified keep it close dnt lose me baby im certified certified certified im certified forreal? do you think im 100 percent ohh ooo ooo yeah im...ii know what you need baby do you im 100 percent now that i got it right here ohh oooo
hey girl im usher and im sorry to keep you waiting ohhh when you hug me you smell good got sumthing to tell you later im later you know im...

chorus x2
been dreaming all for you once heaven shows and the angels bloom sooner right away things and ima ask her now but im dreaming again which leads me to now ohhh what i got to do to you i bet you can do it to
chorus x2
