The Hives

Do you know the secret hand shake?

You best use it.

Here they come with ringing ears

Social misfits.

Someone has got to go
just thought you should know

And so it had to be

The one who held the key.

Check the time T-5
And you're still looking.

Too good to be true

So what's the secret.

Someone has got to go
Just thought you should know

And so it had to be

The one who held the key.
