

Nature Boy

George Benson

What a boy,
A very sweet, enchanting boy.
Oh, He's travelled very far,
very far,
Over land and sea.
Very shy,
enchanting eyes.
Very wise,
very wise was He.

Then one day,
One magic day He passed my way.
As we spoke of many things,
Fools and Kings,
This He said to me:
"The greatest thing,
You could ever learn,
Is just to love and be loved in return.
To be loved in return."

{Musical interlude}

And Then one day,
One magic day He passed my way.
As we spoke of many things,
Fools and Kings,
This He said to me:
"The greatest thing,
That you could ever learn,
Is just to love and be loved in return."
