Count The Days

Ernie Halter

whooh ohhh
whooh ohhh
count the days til i can hold your face
count the hours til im in your place
count the minutes til i can hear the sound
of the moment that i lay you downtogether we will stay
my darlin, i'll dream of you and count the days
whooh ohhh
i'll dream of you and count the dayswhooh ohh
honestly this seems to be the last thing that i expected
but you have been such a pleasant surprise
never in my life has my heart felt so connected
than I do lookin in your eyes
those big brown eyescount the days til i can be with you
count on me and i can count on you
what i feel for you comes deep within
when it comes to you count me ini wish you werent so far away
my darlin, i'll dream of you and count the daysi miss you like children miss summer
like southern california misses rain
i can't wait to see youuu again
ohhh oooohhhcount the days til i can see the side
of you walking toward me dressed in white
all of our friends and our families too
count the moments til we say i dotogether we will stay
my darlin, i'll dream of you and count the days
whooh oohh ill dream of you and count the days
whooh oohh ill dream of you and count the days
whooh oohh ill dream of you and count the days
