

I Know

Familiar 48

Take away my fears
Just so I can face another day
Wash away my tears
And tell me everything's gonna be okay
Would you lie to me
Would you cover up my eyes
Would you tell me so I'm not so surprised
I wish you'd shelter me
I wish you'd bring me in again
But I know inside that I've reached the end
And I know you cannot forgive me now
And I know the hardest part is getting by
And I know there's no way to change this now
This time I already know
Understand how I feel
Losing you has taken me away
And my mistake that I deal with
I deal with time and over time again
Would you lie to me
Did you cover up these eyes
Would you tell me so I'm not so surprised
I wish you'd shelter me
I wish you'd bring me in again
But I know inside that I've reached the end
And I know you cannot forgive me now
And I know the hardest part is getting by
And I know there's no way to change this now
This time I already know
