Drake

[1ST VERSE]

Money just changed everything, I wonder how life without it would go  
From the concrete who knew that a flower would grow  
Lookin' down from the top and its crowded below  
My fifteen minutes started an hour ago  
Truth over fame, you know I respect the blatant sh-t  
When I hear talkin, I just dont know what to make of it  
Hate is so familiar to me, I'm slowly embracing it  
Doesn't come natural, bear with me it could take a bit  
Yeah, and my dreams who Im racing with  
You can see Im pacin it so that Im always chasin it  
Wayne put me right here, thats who I get the paper with  
I hope that my success never alters our relationship  
Yeah, this life is something I would die for  
Octobers Own, but its lookin like July 4th  
But I just wish theyd let you try it first  
This time Im really goin off, fireworks

[Alicia Keys - Chorus]

When I go off like July 4th  
feels like a fire, Got to go higher  
Its your revelation, my sweet celebration  
light me like a rocket, cause can't nothing stop it  
all I see is fireworks,  
all i see is fireworks  
every night its fireworks  
every night its fireworks  
all i see is fireworks  
taking off like fireworks  
taking off like fireworks

[Verse 2]

I got this one girl, you know, in my life  
so I say in this song, I say  
I'm just such a gentleman  
you should give it up for me  
look at how I'm placing al my napkins and my cutlery  
I can tell it wasn't love I just thought you f-ck with me

who coulda predicted love could strike now you stuck with me  
yeh, I kept my wits about me luckilly  
what happened between us that night it always seems to trouble me  
now all of a sudden these gossip brags wanna cover me  
and you making it seem that it happened that way because of me  
but I was curious and I'll never forget it baby  
what an experience  
you coulda been the one but it wasnt that serious  
there was smoke in the air before now its me clearing it  
that felt good, all and all I learned a lesson from it though  
you never see it coming you just get to see it go  
yeah I shoulda looked up in the sky at first  
now I can see it in her eyes  
Fireworks!

[Chorus]

[Verse 3]

Everything the same but it feels different  
my dad called me up knowing that I still listen  
and he's still got his foot out, guilt trippin'  
It's been years, though, I just learn to deal with it  
For real, me and my Realtor we built up a better rapport  
got my mother in a place with some better decor  
she searched the entire city I let her explore  
and now she's sayin' she's more lonely than ever before  
How many of our parents' marriages lasted?  
I was only 5, I bet I barely reacted  
I'm flying back home for the heritage classic  
searching for that feeling, tell me where is the magic?  
let's stay together 'til we're ghosts  
I want to witness love, I've never seen it close  
yeah, but I guess I gotta find it first, that's why I'm really going off, Fireworks!

[Chorus]
