Incredible

Mary Mary

I can't believe you chose someone like me
When I, I've done nothing to deserve it, no
I feel so blessed 'cause you give me your best
Your love is nothing less than incredibleI'll take a little time out
Just to think a little while
Back on everything I've been through, yeah
All my ups 'n' downs
Would still be ups an' downs if
If it wasn't for youOh and I can't believe
I can't believe you chose someone like me
When I, I've done nothing to deserve it, no
I feel so blessed 'cause you give me your best
Your love is nothing less than incredibleI tried it without you
Can't do it without you
Never again will I try, no no
You came and you love me
And oh how you loved me
Somehow I just don't know whyI can't believe you chose someone like me
When I, I've done nothing to deserve it, no
I feel so blessed 'cause you give me your best
Your love is nothing less than incredibleI can't believe you chose someone like me
When I, I've done nothing to deserve it, no
I feel so blessed 'cause you give me your best
Your love is nothing less than incredibleLord, You mean just
The whole world to me
Without You
I don't know where I would beI can't believe you chose someone like me
When I, I've done nothing to deserve it, no
I feel so blessed 'cause you give me your best
Your love is nothing less than incredibleI can't believe you chose someone like me
When I, I've done nothing to deserve it, no
I feel so blessed 'cause you give me your best
Your love is nothing less than incredibleYou didn't have to do it what you did
You gave me all your love and I know I don't deserve it
Boy, you'd been so painful, for that Lord I'm praying too
And your love is so incredibleI can't believe someone like me
When I've done nothing
I feel so blessed give me your best
Is nothing less than incredibleI can't believe you chose someone like me

When I, I've done nothing to deserve it, no
I feel so blessed 'cause you give me your best
Your love is nothing less than incredible
