

# Going to Poughkeepsie

Nick Roes

She said Iâ€™m going to Poughkeepsie,  
Going to Poughkeepsie,  
Going to Poughkeepsie,  
Going to Poughkeepsie,  
Going to Poughkeepsie,  
And I ainâ€™t taking you.

Oh, baby, baby, baby,  
Whatcha gonna do?  
Oh, baby, baby, baby,  
Whatcha gonna do?  
Pretty baby, donâ€™t leave me here,  
With these back-woods blues.

Going to Poughkeepsie  
Going to Poughkeepsie  
Going to Poughkeepsie  
Going to Poughkeepsie  
She said Iâ€™m going to Poughkeepsie  
And I ainâ€™t taking you.

Oh baby if you leave me  
Iâ€™ll cry all day and night,  
Baby if you leave me,  
Iâ€™ll cry all day and night.  
She said Iâ€™m going to Poughkeepsie  
Find a man who treats me right.

Going to Poughkeepsie  
Going to Poughkeepsie  
Going to Poughkeepsie  
Going to Poughkeepsie  
She said Iâ€™m going to Poughkeepsie  
And I ainâ€™t taking you.

Baby if you leave me,  
Itâ€™s bound to ruin my health.  
Baby if you leave me,  
Itâ€™s bound to ruin my health.

She said Iâ€™m going to Poughkeepsie,  
You can go and fuck yourself.
