To Our King

Relinquish

To Our King: Luke Fortner and Josiah Sprankle
Verse1:
We all have struggles
Every day of our lives
Some people are mad
Others are glad
Were all facing the same thing
Just remember itâ€™s a new day
Theres not turning back

Chorus:
We gotta give our all
Give it up to Him
Weve come to serve
Weâ€™ve come to live
For Our Lord and King
Creator or Everything
Weâ€™ve come to lay down
Never Back down
Weâ€™ve come to give
Our hearts to him
A way to Shine
A way to Sing
to bring praises
To our King

Verse 2:
We proclaim His name
Each and every day
As were singing to the one
Who made the earth, the moon, and sun
As time moves on
And never seems to end
Thereâ€™s no turning back
Everybody Come on

Chorus:

Bridge: 2x

Were singing praises to the King
Because he loves you and me
As He reigns on His throne
He is Christ Alone

Chorus:
