You

You

You is still a whisper on my lips

A feeling at my fingertips

That's pulling at my skinYou

You leave me when I'm at my worst

A feeling as if I've been cursed

Bitter cold withinDays go by and still I think of you

Days when I couldn't live my life without you

Days go by and still I think of you

Days when I couldn't live my life without you

Without youWithout you

You are still a whisper on my lips

A feeling at my fingertips

That's pulling at my skinYou leave me when I'm at my worst

A feeling as if I've been cursed

Bitter cold withinDays go by and still I think of you

Days when I couldn't live my life without you

Without youWithout you

Days go by and still I think of you
