

I Wish It Could Be Christmas Everyday

Roy Wood

(Are you ready children?)

(Get off)

When the snowman brings the snow
Well he just might like to know
He's put a great big smile on somebody's face
If you jump into your bed
Quickly cover up your head
Don't you lock the doors
You know that sweet Santa Claus is on the way

Well I wish it could be Christmas every day
When the kids start singing and the band begins to play
Oh, I wish it could be Christmas every day
Let the bells ring out for Christmas

When we're skating in the park
If the storm cloud paints it dark
Then your rosy cheeks™ going to light my merry way
Now the frosticles appear
And they've frozen up my beard
So we'll lie by the fire
Till the sleep simply melts them all away

Well I wish it could be Christmas every day
When the kids start singing and the band begins to play
Oh, I wish it could be Christmas every day
Let the bells ring out for Christmas

When the snowman brings the snow
(When the snowman brings the snow)
Well, he just might like to know
(Well, he just might like to know)
He's put a great big smile on somebody's face
So if Santa brings that sleigh (Santa brings that sleigh)
All along the Milky Way (along the Milky Way)
I'll sign my name on the roof top in the snow
Then he may decide to stay

Well I wish it could be Christmas every day

When the kids start singing and the band begins to play
Oh-oh-oh-oh, I wish it could be Christmas every day
Let the bells ring out for Christmas

Okay, you lot, take it

Well I wish it could be Christmas every day (Christmas Day)
When the kids start singing and the band begins to play
Oh-oh-oh-oh, oh, I wish it could be Christmas every day
Let the bells ring out for Christmas

Why don't you give your love for Christmas?

When the snowman brings the snow
When the snowman brings the snow
When the snowman brings the snow
When the snowman brings the snow
When the snowman brings the snow
When the snowman brings the snow
