K

Rag Doll Sounds

Was it on a weekend day?
K, oh! I felt ok
I met you, I felt OK
As if you were special
I thought of you all day
K, K, all I can say
Baby you make my days
I beg you stay, oh, K

[Chorus]
K, K
Iâ€™m happy and Iâ€™m OK
K, K
Around you Iâ€™m ok
K, K
Iâ€™m started, Iâ€™m ok
K, K
Iâ€™m yours and Iâ€™m ok

Sweet, sweet like cherry coke
Adictive like cocaine
K, K, Iâ€™m so OK
Forever, forever stay

Will you come out to play?
K, K, my sunshine ray
Love, love you make my days
I beg you stay, oh, K.

[Chorus]

So glad to have you with me
You know I canâ€™t let go
I wanna express my feelings
Oh k! I love you so!
Iâ€™m glad I have you with me
I will take care of you
Just let me be with you
Forever.

Letâ€™s go out today,
Iâ€™ll spend the night, with you Iâ€™ll stay.

Letâ€™s go out today,
Iâ€™ll spend the night, with you Iâ€™ll stay.

I know that I must say, I like you, I love you K
Baby, you make my days, I beg you stay, oh K.

[Chorus]
