

Long Bread

Bow Wow

Girl:

Ooooo girl Bow said he was gon take me shopping

Bow Talking:

Alright

Here we go

I got my bags packed

I'm on vacation baby

That's right I'm on vacation

Well ok

She want a baller

One that can shop and tear the mall up

Brag and tell your friends

What I brought ya

Ok

Yeah that fits my description

So let me work you out baby

I'll be your phscription

You ain't found him yet

I'm the one you missing

And I ain't with the bull

So you can miss me with the pimping

Got boat chillin

Baby you should get inn

That two piece bathing suit

Gon take a dip inn

Well girl I got long bread

Thought I let you know

And I can take you any where

That you want to go

Pick a place on the map

And girl let me know

Cuz I got long bread shawty

I got long bread shawty

And you can leave your luggage

Baby it can stay

Cuz we gon cope new gear n e way

She don't want to leave

She bagging me to stay

And this is what I say

I got long bread shawty
Ok
Now we in the DR
Damn my money so long
Longer than the great wall
Damn my money so tall
Haters we can't see ya'll
We ball like C Paul
Baby you a blessing
For that I got to thank God
Tell me what you want

And I can make it happen
You already know
They call me Mr get it cracking
Love that lil tan on ya
When I get my hands on ya
Shopping spree errday
Yeah we drop them bands on ya
Well girl I got long bread
Thought I let you know
And I can take you any where
That you want to go
Pick a place on the map
And girl let me know
Cuz I got long bread shawty
I got long bread shawty
And you can leave your luggage
Baby it can stay
Cuz we gon cope new gear n e way
She don't want to leave
She bagging me to stay
And this is what I say
I got long bread shawty
Well girl I got long bread
Thought I let you know
And I can take you any where
That you want to go
Pick a place on the map
And girl let me know
Cuz I got long bread shawty
I got long bread shawty
And you can leave your luggage
Baby it can stay
Cuz we gon cope new gear n e way

She don't want to leave
She bagging me to stay
And this is what I say
I got long bread shawty
Bow Talking:
Sorry Stunner I haven't been in the studio
My fault
Aye Stunner
I'm gon get back in the studio
Man my bad
I been fuckin up all this money
You know what I'm saying
My fault
Yeah
Ya heard
O by the way
Young money L B Dub Cash money
Get wit it get gone
