Green Disease

Pearl Jam

It's a disease,... and they're all green
It emminates from their being
Agitation,.. with occupationAnd like weeds,.. with big leaves
Stealing light from what's beneath
Where they have more,...
Still they take moreCourse I know,.. then I don't
There's a stoway with my throat
It's deceiving
I don't believe himWe can scream,.. out our doors
Behind the wall a fat man snores
In his dreams he's,...
Choking on leaves
