One Night Without You

Cosima

Been telling my arms, they don't need your touch.
Been telling my heart
You don't mean that much, baby
It's just a phase I'll get through
I'm not in love with you.
I may say that I don't care about you.[Chorus:]
But one night without you,
I'm running back. I'm running back to you
One night without you.
I'm losing my mind, I'm crazy about you.
I know, I need to hold you.
I know, I can't deny.
I can't take, I can't take, I can't take.
One night without you
One night without you.If you ever go, I won't miss your kiss.
I'm better alone, I keep saying this, baby
I don't dream of your touch,
I don't need it that much.
You should know that I don't think about you, but[Chorus]I don't need you that bad
I could walk away sad.
Every day that's what I try to tell myself, baby
It's just a phase I'll get through.
I'm not in love with you
You should know that I don't think about you.
I don't think about you, hey, hey.[Chorus]
