The Good Good

Snoop Lion

Days like these are days I love
Runnin round going nowhere
Glad I get to steal all your time
Smilin cuz I know that Im the one that makes you smile
Love the way you say my name
And how you laugh at all the stupid things I say
Its all lovin, no hate
Hangin with you while you're hangin hangin on my arm (And I like it)
Your hand on my back while we drivin drivin in my car (And I like it)(Chorus)
This is the good good
This is what people look all their lives to find
And baby we found it
Right on time
This is the good good
And now that we got it
We gotta keep it going strong going strong
Gotta keep it going on yeah
Keep it strong keep it keep it going on yeah
Keep it strong keep it keep it going on yeahAnytime Im feeling alone
Therell be a text from you on my phone
Just to say youre thinking of me
And when we are apart I know its only me you see
Love the way you have my back
And how when I make no sense
You still understand
When nobody else can
Hangin with you
While you're hangin hangin on my arm (And I like it)
Your hand on my hand while we kissin kissin in the dark (And I like it)(Chorus)Oh this love
Is the best drug there could ever be
And I get high on you and me
Anyone can seeThis is the good good
This is the good good
This is what people look all their lives to find
And baby we found it
Right on time
This is the good good
And now that we got it
We gotta keep it goin strong keep it strong

Keep it keep it goin on yeah
Keep it strong keep it keep it goin on yeah
Keep it strong keep it keep it goin on yeahThis is the good good
This is what people look all their lives to find
And baby we found it
Right on time
This is the good good
And now that we got it
We gotta keep it going strong keep it strong
Keep it keep it goin on yeah
Keep it strong keep it keep it goin on yeah
Keep it strong keep it keep it goin on yeah
This is the good good
