## Sonic Youth

Come on, get in the car  
Let's go for a ride somewhere  
I won't hurt you  
As much as you hurt me  
Let me take you there  
Before the sun goes down  
Come on, give me your love  
Come on baby, all you have  
I wanna take your breath away  
Come on baby  
Just like that, you say  
You make me feel so crazy  
Come on, get in the car  
Let's go for a drive somewhere  
I won't hurt you  
You make me feel so crazy  
Come on, get in the car  
Let's go for a ride somewhere  
I won't hurt you  
As much as you hurt me  
Let me take you there  
Before the sun goes down  
Come on, give me your love  
Come on baby, all you have  
I wanna take your breath away  
Come on baby  
Just like that, you say  
You make me feel so crazy  
Come on, get in the car  
Let's go for a ride somewhere  
You make me feel so good  
You make me feel so crazy
