Anti-Matter

Tricky

Costanza:

Round round

Round roundCostanza & Tricky:

I'm antimatter

I don't matter

Cancer phones

Break my bonesI'm illusion

Sonic solution

Magic mind

Sonic pollutionI just detox

I just see lots

I see nothing

Show me somethingWe go round and round

We make it safe and sound

I try to break it down

Alright

(2x)(We go round)

I have visions

Homosapiens

Fast I've grown

I think alone

I'm confusionEvolution

I'm in man cub

Institution

I move forward

I make awkwardI just jump jump

I just thump thumpWe go round and round

We make it safe and sound

I try to break it down

Alright

(2x)I evolve

Then dissolve

Maintain my laws

?til April fallsMy sea runs red

My trees are dead

My breath runs short

Please reportIs there someone out there

Is there someone out there

Do you receive me

Do you receive meWe go round and round
We make it safe and sound
I try to break it down
Alright
(repeated)
