## Pharrell

I don't know why these niggaz don't see what I see in you girl  
Bad girl, yupShe got an ass like loaf of bread you wanna slice  
But she's the girl, you can take her home to mother  
But she don't want ya bread, brother, ya betta think twice  
See, ya can see the heat, I will be her butterShe's an angel  
She's the girl, I want to share my dreams  
She's an angel  
I don't care if she can't fly over thingsShe's an angel  
I don't care if ya can't see her wings  
Watch her fly, yeah  
MuhfuckaShe's in my dreams when I sleep, yeah, yeah  
But when I wake she's gone so I weep, yeah, yeahShe's an angel  
She's the girl, I want to share my dreams  
She's an angel  
I don't care if she can't fly over thingsShe's an angel  
I don't care if ya can't see her wings  
Watch her fly, yeah  
MuhfuckaHello, hey Ma, I love you too  
I'm just nervous about this girl  
What do you think I should do?  
I'm talking to her, I'm here with her dad  
You sure? I'ma do it nowDing, dong  
Father can she hang with me tonight  
To go to the mall  
I won't touch ya girl but in your sight  
Don't you see at allShe's an angel  
She's the girl, I want to share my dreams  
She's an angel  
I don't care if she can't fly over thingsShe's an angel  
I don't care if ya can't see her wings  
Watch her fly, yeah  
Muhfucka
