Stupid

Grafh

Night lift up the shades Let in the brilliant light in morning Steady me now For I am weak and starving for mercy Sleep has left me alone To carry the weight of unravelling where we went wrong It's all I can do to hang on To keep me from falling Into old familiar shoes How stupid could I be? A simpleton could see That you're no good for me But you're the only one I see Love has made me a fool Set me on fire and watched as I floundered Unable to speak Except to cry out and wait for your answer But you come around in your time Speaking of fabulous places, create an oasis That dries up as soon as you're gone

> You leave me here burning In this desert without you How stupid could I be? A simpleton could see That you're no good for me But you're the only one I see Everything changes Everything falls apart I can't stand to feel myself losing control In the deep of my weakness I know How stupid could I be? A simpleton could see That you're no good for me But you're the only one I see How stupid could I be? A simpleton could see That you're no good for me But you're the only one I see
