Good Morning Heartache

Natalie Cole

Woah, woah, ha, yeah, hmm, ohGood morning heartache, you old gloomy site
Good morning heartache, thought we said goodbye last night
I tossed and turned until it seemed that you had gone
But here you are with the dawnHoo, wish I'd forget you but you're here to stay, yeah
It seems I met ya when my love had gone away
I start each day out just by saying to you
Good morning heartache, what's newStop haunting me now, can't shake you, no, how
Why don't you just leave me alone?
I've got those Monday blues
Those straight through Sunday bluesOh, good morning heartache, here we go, here we go, here we go again
Well, good morning heartache, you're the one who knew me
When I guess I might as well get used to you hanging around
Good morning heartache, I see you're back in town
Good morning heartache, why don't ya sit on down, sit down
