

# You're A Star

## Josie and the Pussycats

Well, I try not to think about you  
And I know I can get on without you  
But it all seems to be so hollow  
Maybe you'll come back tomorrow  
When they make you feel like you're no-one  
And when they make you feel like you just don't matter  
You gotta get back on a good one  
You don't need this at all  
Don't let it get you down  
Don't let it break your spirit  
Keep your head in the clouds  
Like a star  
Am I out of my head or something?  
Am I beatin' myself up all over nothing?  
Does it all have to be so much trouble?  
Is it all just because of you?  
When they make you feel like you're no one  
And when they make you feel like you just don't matter  
You gotta get back on a good one  
You don't need this at all  
Don't let it get you down  
Don't let it break your spirit  
Keep your head in the clouds  
Like a star  
Don't let it get you down  
Don't let it break your spirit  
Keep on tellin' yourself  
You're a star  
Don't let it get you down  
Don't let it break your spirit  
Keep your head in the clouds  
Like a star  
Don't let it get you down  
Don't let it break your spirit  
Keep on tellin' yourself  
You're a star  
Keep on tellin' yourself  
You're a star  
Keep on tellin' yourself  
You're a star
