

The Cigarette Duet

Princess Chelsea

It's just a cigarette and it cannot be that bad
Honey don't you love me and you know it makes me sad?
It's just a cigarette like you always used to do
I was different then, I don't need them to be coolIt's just a cigarette and it harms your pretty lungs
Well it's only twice a week so there's not much of a chance
It's just a cigarette it'll soon be only ten
Honey can't you trust me? When I want to stop I canIt's just a cigarette and it's just a Marlboro Light
Maybe but is it worth it if we fight?
It's just a cigarette that I got from Jamie-Lee
She's gonna get a smack and I'm gonna give you three[Both, at the same time]
Her: It's just a cigarette and I only did it once
Him: It's just a cigarette it will soon be only ten)
Her: It's only twice a week so there's not much of a chance
Him: It'll make you sick so there's not much of a chance)
Her: It's just a cigarette and I'm sorry that I did it
Him: It's just a cigarette, you'll be sorry that you did it)
Honey can't you trust me? When I want to stop I can
