Something About You

Jamelia

I could talk to you for days
You make me laugh one thousand ways
And I realize, you fill me up
Like hot water in my teacupI'm enchanted by your smile
I must admit it took a while
For me to see that this was somethin'
More than he's my friend, its nothin'I hope to God you feel the way I feel
'Cause this could be amazing
Something so super realThere's something about you
And you don't even know it
I'm telling you now
That you got me goodThere's something about you
And I can't help but show it
Damn right
You got me goodNow I'm not alone
With you I'm whole
I gotta let you know
You got me goodYour style, your voice, your points of view
The good, the bad and ugly too
Boy, I'll take it, give it to me
I'll be careful, give it to meAddiction don't come close to this
Official is what this sh** is
Still I can't say it
No, I can't say that I'm in loveI hope to God you feel the way I feel
'Cause this could be amazing
Something so super realThere's something about you
And you don't even know it
I'm telling you now
That you got me goodThere's something about you
And I can't help but show it
Damn right
You got me goodNow I'm not alone
With you I'm whole
I gotta let you know
You got me goodI just wanna be your all and all
I just wanna be the one to make you fall
I wanna take you away, I want you to be for me
I want you here with me forever, be my holiday, yeahOh yeah, let me take you away
There's something about youThere's something about you

And you don't even know it
I'm telling you now
That you got me goodThere's something about you
And I can't help but show it
Damn right
You got me goodNow I'm not alone
With you I'm whole
I gotta let you know
You got me goodYou got me
You got me good
