

# No! No! No!

## Dana Gillespie

He is like the doll  
He says no no no no  
And though he'd like to fall  
He says no no no noHe says you're just a friend to me  
You're no more than a friend to meHe is a doll  
That says no no no no  
And though he tries to fall  
He says no no no no  
I know he tries to hide from me  
And hopes that I won't see  
We're not even here, and he says no no no no  
We're not even looking - he says no no no noI know, I know he's afraid of me  
Afraid he might say yes to me  
He is like the doll  
He says no no no no  
And though he loves to fall  
He says no no no noHe says no no no no  
He says no no no ... no
