Cannonball

Little Mix

There's still a little bit of your taste in my mouth.
There's still a little bit of you laced with my doubt.
It's still a little hard to say what's going on.
There's still a little bit of your ghost, your witness.
There's still a little bit of your face, I haven't kissed.
You step a little closer each day,
that I can't say what's going on.
Stones taught me to fly.
Love taught me to lie.
Life taught me to die.
So it's not hard to fall,
when you float like a cannonball.
There's still a little bit of your song in my ear.
There's still a little bit of your words, I long to hear.
You step a little closer to me,
so close I can
