

# Don't Stop Being Crazy

## Halloween

You're the one I would pick out in a million  
You're the one I would wish for  
As the friend of my life, life, life  
If the whole world decided for a color  
Would pixels be any different in you, you, you? Brave and smart against the rules  
You smile upon the fools  
I'll follow where you go, I want you to know Don't stop being crazy  
Wherever you go  
Don't stop being crazy  
It's a lie, it's a lie  
It's a lie, we could not learn to fly  
Oh no, don't stop being crazy When you walk, you walk higher as the others  
When you talk, you talk merciless, the bothering truth, truth, truth  
Everyone seems remote controlled nowadays  
Only you have a frequency far beyond their ways, ways, ways Still and strong you walk alone  
Don't wonder where they've gone  
I'll follow where you go, I want you to know Don't stop being crazy  
Wherever you go  
Don't stop being crazy  
It's a lie, it's a lie  
It's a lie, we could not learn to fly  
Oh no, don't stop being crazy Still and strong you walk alone  
Don't wonder where they've gone  
I'll follow where you go, I want you to know Don't stop being crazy  
Wherever you go  
Don't stop being crazy  
It's a lie, it's a lie  
It's a lie, we could not learn to fly  
Oh no, don't stop being crazy
