

Say'n I Love You

The Moffatts

Say'n I love u
It's the hardest thing to do
And if I ever do
Girl, I'll always be true
I may not be the best
Looking guy you ever knew
But I can show you love
That will always be true
And when your sky's turn gray
My love will guide the way
And if these words that I hold
Could only be told
Say'n I love u
It's the hardest thing to do
And if I ever do
Girl, I'll always be true
And when your tears fall to the ground
I will pick you up when you're feeling down
Say'n I love u
It's the hardest thing to do
And if I ever do
Girl, I'll always be true
And when your tears fall to the ground
I will pick you up when you're feeling down
Say'n I love u
It's the hardest thing to do
And if I ever do
Girl, I'll always be true
Say'n I love u
It's the hardest thing to do
And if I ever do
Girl, I'll always be true
