Swansong

Darklands

I never thought I'd see the day
I thought that I had finally moved along
And I had let you go so long ago, so long
This is not, this is not where I belongSo I wait for this shallow itch to pass
And I wait, yeah I wait Hey hey, I'm ok I don't need this anyway, I'm fine What's yours and mine Oh oh, I don't know What I was ever hoping I would find But it's time for me to leave this all behindI don't regret a single thing
I couldn't say it didn't feel alright
But I don't want to stay and I don't want to fight
All alone, with my foolish appetiteSo I wait for this shallow itch to pass
And I wait, yeah I wait Hey hey, I'm ok I don't need this anyway, I'm fine What's yours and mine Oh oh, I don't know What I was ever hoping I would find But it's time for me to leave this all behindI don't have the heart to give away to you again
I don't have the stomach for it, no one ever wins
We had our fun but I have sung this song to you before
Here's my last refrain
