

Woman Love (feat. The Blue Caps)

Gene Vincent

Woman love, hey hey hey hey
Woman love, hey hey hey hey
Woman love, hey hey hey hey
Woman love, hey hey hey hey Well I went to my good doctor not so long ago
A walkin' in a circle and moanin' low
He looked at me and said, Good lord above, son
You need a vaccination of a woman love Well I'm lookin' for a woman with a one track mind
A huggin' and a kissin' and a smoochin' all the time
I'd build her a castle to the moon up above
I sure am a needin' me some woman love, let's rock once We'll I'm lookin' for a lovin' gal that needs a lot of
care
Not worried about her figure or the color of her hair
The doctor really scared me when he said, good lord above
You sure am a needin' you some woman love Well I'm tired of walkin' circles, tired of moanin' low
I want my baby with me everywhere I go
I want my lovin' baby to call him turtle dove
I sure am a needin' me some woman love, let's rock again Well I'm tired of walkin' circles, tired of moanin' low
I want my baby with me everywhere I go
I want my lovin' baby to call him turtle dove
I sure am a needin' me some woman love Woman love, hey hey hey hey
Woman love, hey hey hey hey
Woman love, hey hey hey hey
Woman love, hey hey hey hey
Woman love, hey hey hey hey
