## Saint-Germain-des-Prés Café IV

I don't give a fuck  
You don't give a fuck  
They don't give a fuck  
Get back in the front I don't give a fuck  
You don't give a fuck  
We don't give a fuck  
Get back to the front No one to trust  
Just blood in the dust  
Things just getting worse  
Worse, worse and worse You kill, no remorse  
You die, for what cause  
They kill, no remorse  
They die, for what cause Back to the, back to the  
Back to the frontlines  
Back to the, back to the  
Back to the frontlines I don't give a fuck  
You don't give a fuck  
They don't give a fuck  
Get back in the front I don't give a fuck  
You don't give a fuck  
We don't give a fuck  
Get back to the front At war, once more  
Peace is another sign that falls  
I didn't want to be in war  
But it follows me once more For what, I don't know  
I don't understand  
Can you tell me who has won?  
When nothing remains Back to the, back to the  
Back to the frontlines  
Back to the, back to the  
Back to the frontlines Back da fuck up now  
Shut da fuck up now  
Back to da front now  
Back to the frontlines
