

Winter In My Heart

The Avett Brothers

I need a summer but the summer's come and gone...

I need a summer but its winter in my heart...

It's all the same,

The fucked up game,

You play with me!

I need to hold you but you're never coming back...

I cant get,

Any lower...

I cant find,

All the pieces of my broken life...

I need a summer but the summer's come and gone...

I need a summer like a winter in my heart...

I can't get,

Any lower...

I cant find,

All the pieces of my broken life...

But I try,

I still try,

I still try...
