

Only Love Can Break A Heart

[Timi Yuro](#)

Only love can break a heart
Only love can mend it againLast night I hurt you
But darling
Remember thisOnly love can break a heart
Only love can mend it againYou know I'm sorry
And I'll prove it
With just one kiss
Only love can break a heart
Only love can mend it againGive me a chance to
make up for
the harm I've done
Try to forgive me,
and let's keep
The two of us onePlease let me hold you
And love you
For always and always
Only love can break a heart
Only love can mend it againOnly love can break a heart
Only love can mend it again
