

# Do It

## Omarion

Yeah, yeah, let's go  
This is feelin' real good  
Well you know it feels good to feel good You look familiar, girl  
I should remember, girl  
If I ever ran into you Refresh my memory  
Your smile is killin' me  
Where did we go and what'd we do? Wait, it's comin' back  
You was at that club  
You spilled your drink on me Damn, I wanted you  
You disappeared  
But now you're back  
Let's take it from here Do it, do it  
I gotta do it, do it  
We gotta do it this time around  
Let's do it tonight Do it, do it  
I gotta do it, do it  
We gotta do it this time around  
Let's do it tonight Girl, this is kinda cool  
Me bumpin' into you  
You here alone or with your man? I dropped the ball before  
Let you slip out the door  
Won't let you get away again Girl, I'm real impressed  
And it ain't just  
Because you're light skinned Girl, let's shake this spot  
Back to my crib  
Come on, let's go  
Let's take it from here Do it, do it  
I gotta do it, do it  
We gotta do it this time around  
Let's do it tonight Do it, do it  
I gotta do it, do it  
We gotta do it this time around  
Let's do it tonight Do it, do it  
I gotta do it, do it  
We gotta do it this time around  
Let's do it tonight Do it, do it  
I gotta do it, do it  
We gotta do it this time around  
Let's do it tonight
