

Peaceful Night

Mercury Rev

Good morning sun, good morning shine
I feel I'm lost all the time
Somewhere ahead must lay my first
Peaceful nightCrimson flames, golden shores
Where I land don't care no more
Somewhere ahead must lay my first
Peaceful nightEleventh hour, heart of stone
On bended knees facing home
Somewhere ahead must lay my first
Peaceful nightAlmighty above, Almighty below
An unfortunate end to your Civil War
Somewhere ahead must lay my first
Peaceful night
