Miscellaneous
Lay down your love
I've got something to tell you
I've got something in my heart
I've been wanting you baby
For the longest of time
Now the life time before us
And girl don't you know
I want to save each moment with U
Let me sure, that we take this love
Tender and slow
(CHORUS)
So let yourself go, And
Lay down your love for
Me baby, let me inside
I wanna know what you're
Feeling and don't be shy
Lay down your love for
Me baby, now it's the time
We can let the moment for
Long, Lay your love down
(Lay your love)
I know you really assure it
Let me give some to you
You want this love to be special
Now I want the same thing too
And your love won't wait
Cause it's feel so strong
I'm gonna cover you girl
And adore you with my kiss,
My touch, my heart, and my soul
So let yourself go(REPEAT CHORUS)Let each moment be an eternity
I wanna get back to you
All that you given to me(REPEAT CHORUS)
