Over You

Lasgo

You know i don't need your love
Cause it was never true
Can't you see i've had enough
I'm already over youThe world get's dark
But i'm not coming home tonight
Too late to talk, I'd rather be alone
then caught in a fight
You can't change what you've done,
and sorry is not enough
Now i see you'll never be,
what i was dreaming offYou know i don't need your love
Cause it was never true
Can't you see i've had enough
I'm already over youYou know i don't need your love
Cause it was never true
Can't you see i've had enough
I'm already over youDon't act so cool,
There's nothing you can't say or do
You're such a fool, if you think i will stay
one minute with you
Boy i know what you've done, still i won't shed a tear
You can pray all you want, but it won't keep me hereYou know i don't need your love
Cause it was never true
Can't you see i've had enough
I'm already over youYou know i don't need your love
Cause it was never true
Can't you see i've had enough
I'm already over you
