

Love Will Conquer All (12" Mix)

Lionel Richie

Here we are
Out here, me and you
Reaching out to each other
Is all that we can do Here we stand
Trying not to fall
There's no need to worry
Love will conquer all Do you really want to know
Just how long will last
Will all of the bad times pass?
How can we make things right? Ooh and why
Why is the world so unkind?
We surely can find peace of mind
If we only see the light Can't we see that
Here we are
Out here, me and you
Reaching out to each other
Is all that we can do Whoa, here we stand
Trying not to fall
Oh, there's no need to worry
Love will conquer all Can somebody tell me why?
Why do our dreams go wrong?
Why can't we all belong?
Ooh, where did we start? Oh, and tell me when
When will we ever learn
There's nowhere else we can turn
The truth is in our hearts Here we are together
Ooh, ooh, ooh
Whoa, whoa, whoa
Ooh, ooh, ooh
Whoa, whoa, whoa Sometimes the road
Gets hard to travel
Sometimes the pain's
Too much to bear Sometimes when life
Seems to unravel
That's the time, oh, to say
We're gonna make it anyway Can't we see that
Here we are
Out here, me and you
Reaching out to each other

Is all, is all that we can doHere we stand
Trying not to fall
There's no need to worry
Love will conquer all
