Evergreen

The Brian Jonestown Massacre

Help me
Or
Make me feel
Fine
I feel I've wasted my time.

Lately
Nothing feels
Right
I feel like
Taking my time

Just beneath the floor
Is a new world to explore
Once you've said you you loved me

Right behind your door
Is a treasure you've ignored
But you have to trust me
Or
Nail me to the boards
Crown of thorns for my rewards
And you've said you love me.

Aaaaaahhhhhhhh,
