

# Ladies Don't Play Guitar

## Tennis

Ladies don't play guitar  
Ladies don't get down, down to the sound, do they  
Maybe we can play pretend  
Maybe I can go down deep just to be what you needed Ladies just need your love  
Don't you know you're all caught up in it  
Maybe I've been listening  
I can be the archetype of whatever you're feeling, what you're feeling Maybe then I can try and give my love  
again  
We'd pretend I can be the one that you've been dreaming  
Tell me what can I give  
If all my work is bleak and abstracted  
Tried to build a leg at sea  
That will not complicate the future of your own progeny Maybe then, I can try and give my love again  
We'd pretend I can be the one that you've been dreaming  
Maybe then, I can try and give my love again  
We'd pretend, I can be the one that you've been dreaming In the end, I decide how much my love can bend  
We'd pretend I can be the one that you've been dreaming
