

# Fascists

## Blink 1488

Weâ€™re enduring the worst of the kikes  
And Iâ€™m quite aware weâ€™re dying  
And your sons they shake with fury  
And weâ€™ll save your skin if youâ€™d help me  
So here I am, Iâ€™m marching  
So here I am, are you hailing?

Come on let me arm you, train you, make you  
Fascist  
Bring back, Right wing death squads  
Fascists

And I wont fail Europe, Iâ€™m her child  
Weâ€™ll hang those damn commies if you help me  
Iâ€™m so sick of kikes, I hate them  
Lets start the ovens, this time for real  
So here I am, Iâ€™m marching  
So here I am, are you hailing? (x2)

Come on let me arm you, train you, make you  
Fascist  
Bring back, Right wing death squads  
Fascists (x2)  
Weâ€™ve endured the worst of these kikes  
And theyâ€™re all just why weâ€™re dying

Come on let me arm you, train you, make you  
Fascist  
Bring back, Right wing death squads  
Fascists (x2)
