Take Away

Revelation Theory

Is this what you wanted?
You got what you needed, all that's mine
Take it or leave it
(Take it or leave it)
Everything's even, but what's left of my life?Everything's wrong I know
I can see it in your eyes again
Taking control of my soul and my life'Cause you take away
You take away
What more can you take?
It feels like I've been here beforeAll that you do
Seems to abuse
You won't cut me anymoreI'm bruised and I'm bleeding
(I'm bruised and I'm bleeding)
It's kept me from seeing all your liesYou kill all that you touch
(Kill all that you touch)
But this time it's too much, it all comes aroundEverything's wrong I know
I can see it in your eyes again
Taking control of my soul and my life'Cause you take away
You take away
What more can you take?
It feels like I've been here beforeAll that you do
Seems to abuse
You won't cut me anymoreTake away
You want it
All from me
You wanted it all'Cause you take away
You take away
What more can you take?
It feels like I've been here beforeAll that you do
Seems to abuse
You won't cut me anymore'Cause you take away
(You take away)
You take away
(You take away)
It feels like I've been here beforeAll that you do
Seems to abuse
You won't cut me anymoreTake away
You want it
All from me

You wanted it all
