

Morbid Mind

Atrocity

Advisory - the following lyrics contain explicit language:

My soul in the maze of darkness
The abyss of mental sickness
My life is doomed eternally
The blackened sight of eternityAgony leads my mortal life
Even darker than the darkest midnight
Disillusion is the pain you feel
Blood is my avatar and my sealIn my mind, morbid lust
In my mind, morbid thoughts
Thirsting for another life
Visions of a morbid mindIn my mind, morbid hate
In my mind, morbid rage
Seeking for another life
Creature with a morbid mindBlood flows like melted metal
The creation of all evil
Enter the ways of obscurity
Drink the blood of immortalityAgony leads my mortal life
Even darker than the darkest midnight
Disillusion is the pain you feel
Blood is my avatar and my sealIn my mind, morbid lust
In my mind, morbid thoughts
Thirsting for another life
Visions of a morbid mindIn my mind, morbid hate
In my mind, morbid rage
Seeking for another life
Creature with a morbid mind[Incomprehensible]In my mind, morbid lust
My mind, morbid thoughts
My mind, morbid hate
My mind, morbid rageIn my mind, morbid lust
In my mind, morbid thoughts
Thirsting for another life
Visions of a morbid mindIn my mind, morbid hate
In my mind, morbid rage

Seeking for another life
Creature with a morbidIn my mind, morbid lust
In my mind, morbid thoughts
Thirsting for another life
Visions of a morbid mindIn my mind, morbid hate
In my mind, morbid rage
Seeking for another life
Creature with a morbid mind
