

# Shiver (live)

## Coldplay

So I look in your direction  
But you pay me no attention, do you?  
I know you don't listen to me  
'Cause you say you see straight through me  
Don't you? But on and on  
From the moment I wake  
To the moment I sleep  
I'll be there by your side  
Just you try and stop me  
I'll be waiting in line  
Just to see if you care Oh, did you want me to change?  
Well I'd change for good  
And I want you to know that you'll always get your way  
And I wanted to say  
Don't you shiver  
Don't you shiver  
I'll sing it loud and clear  
And I'll always be waiting for you So you know how much I need you  
But you never even see me do you?  
And is this my final chance of getting you? But on and on  
From the moment I wake  
To the moment I sleep  
I'll be there by your side  
Just you try and stop me  
I'll be waiting in line  
Just to see if you care, if you care Did you want me to change?  
Well I'd change for good  
And I want you to know that you'll always get your way  
And I wanted to say  
Don't you shiver  
Don't you shiver  
I'll sing it loud and clear  
I'll always be waiting for you Yeah I'll always be waiting for you  
Yeah I'll always be waiting for you  
Yeah I'll always be waiting for you  
For you, I will always be waiting And it's you I see  
But you don't see me  
And it's you, I hear  
So loud and so clear

I sing it loud and clear  
And I'll always be waiting for you  
So I look in your direction  
But you pay me no attention  
And you know how much I need you  
But you never even see me
