

# Buried Alive

## Avenged Sevenfold

Take the time just to listen  
When the voices screaming are much too loud  
Take a look in the distance, try and see it all  
Chances are that you might find  
That we share a common discomfort now  
I feel I'm walking a fine line, tell me only if it's real  
Still I'm on my way  
On and on it goes  
Vacant hope to take  
Hey, I can't live in here for another day  
Darkness has kept the light concealed  
Grim as ever  
Hold on to faith as I dig another grave  
Meanwhile the mice endure the wheel  
Real as ever  
And it seems I've been buried alive  
I walked the fields through the fire  
Taking steps until I found solid ground  
Followed dreams reaching higher  
Couldn't survive the fall  
Much has changed since the last time  
And I feel a little less certain now  
You know I jumped at the first sign  
Tell me only if it's real  
Memories seem to fade  
On and on it goes  
Wash my view away  
Hey, I can't live in here for another day  
Darkness has kept the light concealed  
Grim as ever  
Hold on to faith as I dig another grave  
Meanwhile the mice endure the wheel  
Real as ever  
And I'm chained like a slave, trapped in the dark  
Slammed all the locks, death calls my name  
And it seems I've been buried alive  
Take you down now  
  
Burn it all out

Throw you all around  
Get your fucking hands off me  
What's it feel like?  
Took the wrong route  
Watch it fall apart  
Now you're knocking at the wrong gate  
For you to pay the toll  
A price for you alone  
The only deal you'll find  
I'll gladly take your soul  
While it seems sick  
Sober up quick  
Psycho lunatic  
Crushing you with hands of fate  
Shame to find out  
When it's too late  
But you're all the same  
Trapped inside, inferno awaits  
Evil thoughts can hide  
I'll help release the mind  
I'll peel away the skin  
Release the dark within  
This is now your life  
Strike you from the light  
This is now your life  
Die buried alive  
This is now your life  
(What's it feel like?)  
Strike you from the light  
(I'm gladly taking your soul)  
This is now your life  
(What's it feel like?)  
Die buried alive  
(I'm gladly taking your soul)  
This is now your life  
Die buried alive
