## Jackie Boyz

Damn.. im sorry baby never mean to hurt you all i can do is just hope that you forgive me.. yeah  
yeah woah woah woah woah woah woah woah baby.. woah woahh woahh ohh babyI can't seem to clear my mind  
i think about it shawty all the time  
to know i was the one that did you wrong  
but i promise i've change and i put that on everythingDon't wanna go clubbin' with my boys..  
don't wanna meet nobody new  
cuz baby girl im still on love with you  
said im half a man hear me out girl understandGirl i cheated i shouldn't of beat it  
left you with no heart beat  
now n now i can't sleep a  
and there's no reason i have none at all  
a cheater stone cold cheater  
and im not finished don't think im crazy  
oh girl said she once lay pregnant with my baby  
with no reason i have none at all  
a cheater a stone cold cheater..Now i know my actions was wrong  
but please listen how i feel about it inside girl  
i just cry n cry over and over  
you played your position stayed down like a soldier  
but while you was home alone  
i was gone doing wrong  
should had you down lovin you  
not messin around  
girl i shouldn't of lied to you  
i should of told the truth im half a man without you..Girl i cheated i shouldn't of beat it  
left you with no heart beat [no reasons for my actions baby]  
there's no reason i have none at all  
a cheater stone cold cheater  
and im not finished don't think im crazy  
oh girl said she once lay pregnant with my baby  
with no reason i have none at all  
a cheater a stone cold cheaterGirl never ever ever meant to tear us apart  
wish we could start all over again didn't mean to play with your heart  
im so sorry baby im so sorry baby  
and girl i never ever ever meant to lie to you  
no words can express the type of pain that i put you through  
im so wrong so wrong im so torn now that your gone.. woooohGirl i cheated i shouldn't of beat it  
left you with no heart beat  
now n now i can't sleep girl

and there's no reason i have none at all  
a cheater stone cold cheat  
and im not finished don't think im crazy oh  
girl said she once lay pregnant with my baby  
with no reason i have none at all  
a cheater a stone cold cheater..
