

The Longest Hour of My Life

Everybody Else

Standing on the runway watching all the planes go by
Wondering if i'm ever gonna see you on the other side
And I wanna tell you straight, sometimes you have to wait
But it's worth it even if it's a little late
I miss the rain, I miss the sun
When I'm at home, I miss being gone
I miss that subway rattling by
The longest hour of my life
What I miss the most is you
The cemetery gates are the only place I feel alive
I'm leaving you a note in a place that will be easy to find
And I gotta tell you straight, sometimes you have to
wait
But it's worth it even if it comes too late
I miss the rain, I miss the sun
When I'm at home I miss being gone
I miss that subway rattling by
The longest hour of my life
What I miss the most is you
I'm gonna tell you straight
Sometimes you have to wait
But it's worth it even if it comes too late
I miss the rain, I miss the sun
When I'm at home I miss being gone
I miss that subway rattling by
The longest hour of my life
What I miss the most is you
The rain, I miss the sun
When I'm at home I miss being gone
I miss that subway rattling by
The longest hour of my life
What I miss the most is you
I miss you the most
I'm just a boy without you
